Dear Brothers in Christ,

My hope is that you have already learned of the new Jethsuby Scholarship Fund that provides scholarships to assist low-income Hispanic students to attend Catholic elementary schools in the Diocese of Dallas. Statistics show that the high school dropout rate is extremely high among Hispanic students. However, studies also show that students who attend Catholic elementary schools are more likely to graduate from high school and go on to college. It is evident that our Catholic schools can provide the educational grounding that can make the difference in the future success of these students. I applaud and thank Dr. and Mrs. Mauricio Delgado for instituting, contributing to and continuing to work on the Jethsuby Scholarship Fund.

In this, its first year, the scholarship fund will provide tuition assistance to eight children. In order to continue to raise funds for this worthwhile endeavor, a concert of Christian music featuring Son by Four (www.sonbyfouronline.com) will be held on October 16, 2010 at the Garland Special Events Center. A promotional poster for this event will soon be available.

I recommend that all parishes help to promote this fundraising concert. Please pray for the success of this scholarship fund in helping to bring more Hispanic children to our Catholic elementary schools. Thank you for your support.

Fraternally in Christ,

Most Reverend Kevin J. Farrell, D.D.
Bishop of Dallas
